DETAILED ACTION

Response to Amendment

1. Applicant's submittal of an amendment was received on July 20, 2004, wherein claims 1-12 and 25-32 were cancelled, claim 15 was amended and new claims 33-40 were added.

Allowable Subject Matter

2. Claims 13-24 and 33-40 are allowed over the prior art.
3. The following is an examiner's statement of reasons for allowance: Examiner agrees with Applicant's argument that there is no motivation to combine Tilsley et al. with Connolly, because placing wheels on the knee crutch of Tilsley would produce an unstable knee crutch in both modes of operation, walking and standing. As such, the proposed combination would destroy the ability for the knee crutch of Tilsley to operate its both modes of operation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
